Box Box Hospital,
Box Box Area

Dear Sir/Madam,

I am writing to express my extreme dissatisfaction and concern regarding the exorbitant charges I was billed for recent medical treatments at your facility. Despite being a loyal patient for many years, I have been subjected to unfair and unethical billing practices that have resulted in significant financial hardship.

A thorough analysis of the provided hospital charges reveals several substantial discrepancies where I have been significantly overcharged. The following cases highlight the disparity between the average cost of these procedures and the excessive charges I was billed:

* **0241U:** The typical cost for this procedure is \$80.235, while I was charged \$145.00, an overcharge of \$64.765 (44.665%).

* **90375:** The average cost of this treatment is \$3320.730612, yet I was billed \$2959.60, an overcharge of \$361.1306119999999 (12.202%).

* **99283:** The customary cost for this procedure is \$709.858604, whereas I was billed \$1053.18, resulting in an overcharge of \$343.32139600000005 (32.598%).

These overcharges are unacceptable and have caused me undue financial distress. I find it particularly disheartening that such unethical practices are taking place at a medical institution that is entrusted with the well-being of its patients.

I have repeatedly contacted your billing department to resolve this issue, but my concerns have been met with indifference and dismissiveness. The explanation that the charges are based on the "usual and customary" rates in the area is simply not justifiable. It is evident that I have been taken advantage of, and I will not tolerate such behavior.

I demand immediate compensation for the overcharges I have been subjected to. I request a prompt refund of the excess amounts billed. If I do not receive a satisfactory response within 30 days, I will have no choice but to pursue legal action to recover the funds I am rightfully owed.

I urge you to take this matter seriously and resolve it promptly. Your failure to do so will leave me with no alternative but to seek legal recourse.

Sincerely,
Max Verstappen
